Bus Hours

Per Disney, "[Bus service between Disney Resort Hotels and Disney Theme Parks](#) begins 45 minutes prior to opening and ends one hour after closing." However, we have found that buses typically begin running 60–90 minutes before the park opening, including early theme park hours for resort guests. Additionally, buses run in the evening until they get everyone back to the resort. We often wait to let the crowds clear after evening entertainment and have never had any issues catching a bus back to the resort. In our experience, Disney does an excellent job of ensuring guests return to on-property hotels.

*An additional water taxi service is available to and from Disney Springs.
